Khutala embarks on a Safety Culture Transformation Process

BG Global (Pty) Limited is pleased to announce that it has secured and completed a transaction to purchase a minority interest in Lance Bloch & Associates (“LBA”). BG Global’s strategic move stems from its diversification strategy into investment options associated with the South African mining sector.

Founded in 2016, Lance Bloch & Associates is a safety culture transformation and change management service provider for mainly mining sector in South Africa. Its footprint and market dominance originates in the gold and platinum sector and has further started to gain market share in coal and iron ore. BG Global will hold a board seat and active participation in LBA’s strategic objectives, while it will intensify the black economic empowerment credentials of LBA.

“Co-founder, Executive Chairman and VP, Banzi Giyose commented, LBA fits perfectly into our expansion strategy in respect of our organic growth and revenue uptick. We plan to be a value adding equity partner in order to build a strong footprint into markets that show demonstrable growth, thus yield opportunities that will grow of our Net Asset Value of LBA over time.
