CRATOSINSTITUTIONAL

“A diversified international investment firm with a global perspective for global excellence”

BG GLOBAL SECURES 50% STAKE IN CARBON CREDITS AND FINANCING FIRM “CRATOS INSTITUTIONAL”

Step into the electrifying realm of Cratos Institutional, where financial mastery intertwines with environmental stewardship, and behold a partnership that's shaking the very foundations of the industry!

In a monumental move, BG Global has secured a commanding 50% stake in our illustrious entity, solidifying our position as a powerhouse in the world of institutional stock broking and derivatives trading. With this strategic alliance, we're poised to unleash a tidal wave of innovation and redefine the very essence of financial excellence.

Since our inception in 2014, Cratos Institutional has been a trailblazer, disrupting norms and setting new standards of brilliance. As proud members of the Johannesburg Stock Exchange (JSE), we've earned our stripes as the ultimate destination for Asset Managers, Hedge Funds, and Pension Funds, boasting an awe-inspiring combined assets under management exceeding R3 trillion!

But what truly sets us apart? It's not just our expertise or our state-of-the-art technology—it's our unwavering commitment to sustainability. Picture this: a crack team of Institutional equity trade analysts, armed with cutting-edge technology, blazing trails in the industry. Yet, that's merely scratching the surface.

Behold our crown jewel—the revolutionary ESG (Environmental, Social, and Governance) scoring model. A game-changer in sustainable investment, this groundbreaking tool empowers portfolio managers to make ethical decisions that resonate with the world's evolving landscape.

But we're not content with mere observation. As the global community rallies towards net zero emissions by 2050, Cratos Institutional doesn't just lead the charge—we redefine it! With a laser focus on carbon emissions and a steadfast commitment to sustainability, we've diversified into two pivotal arenas:

Firstly, as carbon project financing aficionados, we're the heartbeat of developers seeking to breathe life into high-quality carbon projects. Through a meticulously curated portfolio of carbon credits, we pave the way for a greener, more sustainable future.
