ISAMBANE MINING

“A diversified international investment firm with a global perspective for global excellence”

BG GLOBAL CONCLUDES AND SOLIDIFIES ITS CONTRACT MINING AND PROCESSING FOOTPRINT WITH THE ACQUISITION OF ISAMBANE MINING

BG Global Announces Strategic Investment in Isambane Mining

BG Global is pleased to announce the successful completion of a significant milestone: the acquisition of a 40% equity stake in Isambane Mining. This strategic move underscores BG Global's commitment to advancing its mining and processing capabilities within the African mining sector.

Our primary objective is clear: to emerge as a trusted partner and key strategic player for our mining clients, delivering exceptional operational performance with a steadfast focus on safety, simplicity, and consistency.

Looking ahead, we are poised to bring substantial value to Isambane Mining by not only bolstering its financial standing and client base but also by facilitating the company's strategic diversification into other critical metals and commodities.

*Commenting on this milestone, **Banzi Giyose** remarked, "This investment represents a significant step forward in our strategic vision." With this partnership, we are primed to usher in a new era of growth and innovation in the mining industry.*
