

*“A diversified international investment firm with a global perspective for global excellence”*

# **BG GLOBAL INCREASES ITS EQUITY INTEREST IN MCS TO A MAJORITY 76.83%**

BG Global is thrilled to announce the successful conclusion of an extensive transaction process, resulting in the acquisition of an additional 66.83% stake in MCS. With this strategic move, BG Global now commands a majority equity share of 76.83% in the esteemed tech provider. This transaction not only cements BG Global's position as a key player but also elevates MCS to the status of a Level 2 BEE empowered company.

Based in Brisbane, Australia, MCS has been at the forefront of technological innovation since its inception in 1988. BG Global's initial investment in 2023 paved the way for a deeper exploration of MCS's unique value propositions. Recognizing the immense potential MCS brings to the market, this strategic investment aligns perfectly with our overarching goal of maximizing value, impact, and service quality for our stakeholders.

**Banzi Giyose**, the incoming Chairman and Director of MCS, expressed his confidence in the partnership, stating, "This investment decision underscores our commitment to driving operational excellence and delivering tangible results for our clients."

Moving forward, MCS is poised to maintain its position as a cutting-edge tech provider, continuously optimizing and refining its product offerings to meet the evolving needs of its clients and enhance production targets.

As we embark on this exciting journey together, BG Global reaffirms its dedication to fostering innovation, driving growth, and creating lasting value for all involved.
